

# Outback Wrap Hydraulic Hose Identification Markers

Easily connect farming equipment with Outback Wrap hydraulic hose markers. Outback Wrap can be used on any hose or pipe that connects equipment using hydraulics.

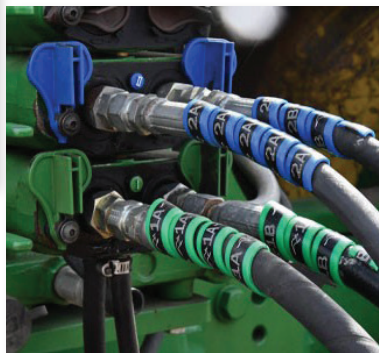

- One size fits all hoses 1/4" to 1-1/2"
- 'A' and 'B' laser printed on wrap
- 'A' and 'B' cut to different lengths
- Not affected by grease, oil or dirt
- Can withstand -60° F to 121° F
- No installation tools required
- Will not fade or become brittle
- Can last 10 years or more
